

# LONG-LASTING POWER. PROUDLY BUILT IN THE USA.

DESIGNED TO DELIVER  
RELIABLE AND SAFE POWER  
FOR PROFESSIONAL DEVICES.

When you buy high power lithium batteries at scale, you're looking for industrial batteries that can handle high rate discharge for a variety of applications, under intermittent or continuous drain.

**Procell High Power Lithium Batteries deliver on that promise, with features such as:**

- ▶ High energy density (3V)
- ▶ Flat and low self-discharge
- ▶ Stringent quality standards based on ANSI and IEC recommendations
- ▶ Economical bulk packaging
- ▶ High resistance to extreme temperatures from -4°F to 140°F found in industrial settings

**Recommended for high drain professional devices:**

**SECURITY DEVICES**  
(Sensors, Monitoring Cameras)  
**SMOKE DETECTORS**  
**WIRELESS SENSORS**  
**REMOTE CONTROLS**  
**HIGH INTENSITY FLASHLIGHTS**  
**LASER SIGHTS**  
**DOOR LOCKS**

## PROCELL HIGH POWER LITHIUM INTENSE CR123

Procell High Power Lithium Intense CR123 industrial batteries are designed to deliver reliable and safe power in professional devices with high rate discharge under intermittent or continuous drain, such as security equipment.
